Product Requirements Document (PRD)

Ayurvedic Doctor Website Generator (Custom Domain Only – 2 Day MVP)

1. Product Overview
A simple tool that allows Ayurvedic doctors to create a professional clinic website using their own custom domain.
Doctors fill a short form, connect their domain, and instantly get a live website.

Example final website:
drsharmaayurveda.com

The platform generates and hosts the website.

Pricing: $20 / ₹1999 per year

2. Goal

Allow Ayurvedic doctors (non technical folks) to launch a website in under 10 minutes without technical knowledge.

The product must:
1. Generate a clinic website automatically.
2. Work on the doctor's custom domain

3. Scope (2-Day MVP)

1. Included in MVP:
    a. Landing page
    b. Website creation form
    c. One website template
    d. Custom domain connection
    e. Hosting
    f. Payment integration
    g. Excluded from MVP:
    h. Multiple templates
    i. CMS editing
    j. User authentication
    k. Appointment booking
    l. SEO tools
    m. Blog functionality
2. User Flow
    a. Step 1 — Landing Page
        i. Doctor visits: ayurwebsites.com
        ii. Call to action: Create My Clinic Website
    b. Step 2 — Fill Website Form
    c. Doctor enters clinic information.
        i. Fields:
        ii. Doctor Information

iii. Doctor Name
iv. Clinic Name
v. Qualification
vi. Years of Experience
vii. Contact Information
viii. Phone Number
ix. WhatsApp Number
x. Email
xi. Clinic Information
xii. Address
xiii. City
xiv. Google Maps Link
xv. Services
xvi. Text area listing treatments offered
xvii. Example input:
    1. Panchakarma
    2. Arthritis treatment
    3. Skin disorders
    4. Weight management
    5. Digestive problems
    6. Doctor Bio
